Dear Esteemed body:

I am honored to testify here before you today, as I have sat in your seats and know how difficult it is to make decisions that affect the lives of so many people.

I am here today on behalf of a very sensitive topic of you making the decision of telling people they must remove someone they love very dearly from out of their homes and lives. You must ask your self how would I feel if someone told me I had to remove my dearly beloved pet from my life...because you could be NEXT.

What WE are asking here is for you to pass a law that says that NO one Specific Breed should be selected as the one who must go!!!

In my own experience I have lived next to a pet for over 10 years that is of the breed that brings us here today with a NEVER problem. The other major experience is when I was campaigning,
I rang over 40,000 doorbells and NEVER HAD A PROBLEM with this Breed.

Please see it in your hearts & minds to pass this law that says No one in Michigan can discriminate against any one Breed!!!

AND Thank you four kind attention

Frank Amos
